

**EXHIBITION AND EVENT ASSOCIATION OF AUSTRALASIA
TREASURER'S REPORT YEAR ENDED 31 DECEMBER 2015**

On behalf of the Board of Directors of EEAA I am pleased to present the financial statements for the year ended 31 December 2015.

The detailed financial statements have been posted on the EEAA web site. A copy is also available at this AGM.

The Financial Statements have been audited by Mr Alan Tudor, Chartered Accountant, whose report is included in the Association's Financial Statements.

On behalf of my fellow Directors I report that our audited after tax profit for the year was \$73,683, an increase of \$35,601 from the corresponding period last year. The increase in profit was a result of strong returns from the Association's Event Program.

The Association has cash reserves of \$551,844. This financial position will allow us to continue to deliver solutions for important industry issues and promote the exhibition industry in Australia.

The Association continues to invest funds to promote, develop and grow the industry for our future wellbeing.

I am pleased to report that the aims and objectives of the Association continue to be achieved and due to our financial strength the benefits and services to members will continue to improve. The Association is in an excellent financial position to meet those expenses.
