**THE POWER OF
EXHIBITIONS**

INTRODUCTION

Welcome to the Exhibition and Event Association of Australasia's (EEAA) 2019 Trade and Consumer Exhibitions and Events Calendar – a publication we produce annually to showcase the hundreds of events our Members organise or host every year.

These trade and consumer events are major drivers of trade, investment, employment, visitation and knowledge sharing. They are powerful marketplaces for doing business and pursuing a special interest. And, they are constantly evolving to meet the demands of new areas of growth and opportunity.

Trade and consumer events contribute to our diverse culture, add to our country's economic and business development, and position Australia as a leading destination for business events. That is why they continue to be successful.

At the back of the publication you will find a full list of our Members – grouped by their primary type of service – and we also offer a live calendar of exhibitions and events, managed and kept up-to-date by our Members, on our website eeaa.com.au

We are proud to produce this annual publication and encourage you to use this as a resource to help you leverage the undeniable power of exhibitions and events.
