

PRESENTING THE INAUGURAL

Australian Liquid Fuel Security Conference

23 – 24 March 2020 | Hyatt Hotel, Canberra

KEY PRESENTATIONS FROM:

The Hon. Angus Taylor MP,
*Minister for Energy and Emissions
Reduction, Australian Federal
Government*

Stuart Scott, *Vice President,
Consulting, Performance Improvement
- APAC Region, Wood Mackenzie*

Air Vice-Marshal John Blackburn
AO (Retd), *Chair, Institute for
Integrated Economic Research –
Australia*

Dr Paul Barnes, *Head of Risk &
Resilience, Australian Strategic
Policy Institute*

Duncan van der Merwe,
*Group Managing Director,
Tellus Holdings*

Troy Collings, *Director
(Corporate & Regulatory Affairs),
Northern Oil & Southern Oil*

Scott Nargar, *Manager of Hyundai
Future Mobility & Government
Relations, Hyundai Motor Company
Australia*

Tony Mahar, *CEO,
National Farmers' Federation
(NFF)*

Neil Greet, *Deputy Chair College
of Leadership and Management,
Engineers Australia*

Shahana McKenzie, *CEO,
Bioenergy Australia*

Lurion De Mello, *Senior Lecturer,
Department of Applied Finance Centre
for Risk Analytics,
Macquarie University*

Tim Washington, *Founder,
JET Charge and Chargefox, Chair,
EV Council*

8.30 Registration and coffee

8.55 Opening remarks from the Chair

9.00 GOVERNMENT KEYNOTE ADDRESS

The Hon Angus Taylor MP, *Minister for Energy and Emissions Reduction, Federal Australian Government*

9.20 Australian & Global Fuel Supply & Demand Outlook

- The current and future outlook for global fuels supply & demand
- Australia's fuel market situation
 - > Demand trends
 - > Supply trends: Fuel Reserves, Refineries & Fuel-On-Water Supply Chain – oil & refined products
 - > Short-term and long-term Implications

Stuart Scott, *Vice President, Consulting, Performance Improvement – APAC Region, Wood Mackenzie*

10.00 Australia's Liquid Fuel Security – Impacts on Australia's National Resilience

- Australia's national resilience trends.
- Australia's fuel security in a changing world.
- The Government's Australian Fuel Security Review outcomes
 - > How will the Security Review impact our national resilience?
 - > What else needs to be done?

Air Vice-Marshal John Blackburn AO (Retd), *Chair, Institute for Integrated Economic Research – Australia*

"Australia is located at the end of the supply chain...we source the majority of our oil from Asia, who in turn import in from the Middle East"

Business Insider, 17 Sept 2019

10.40 Networking and refreshment break

11.10 Resilience and Transition Pathways

- Are we resilience enough?
- The energy transition (Friend or enemy?)
- Transition beyond change (Pathways and decisions)

Neil Greet, *Deputy Chair College of Leadership and Management, Engineers Australia*

11.40 Potential options for Underground fuels storage in Australia

Duncan van der Merwe, *Group Managing Director, Tellus Holdings Ltd*

12.15 Open debate

12.30 Networking lunch

BIOFUELS TO REDUCE EMISSIONS AND IMPROVE AUSTRALIA'S ENERGY SECURITY

1.30 Waste to BioFuels - from inception to commercialisation

Troy Collings, *Director (Corporate & Regulatory Affairs), Northern Oil & Southern Oil*

2.00 The need for a national strategy for Australia's bioeconomy and the role bioenergy can play in our fuel security challenge

Shahana McKenzie, *CEO, Bioenergy Australia*

2.30 Networking and refreshment break

3.00 The critical role of diesel in the ag industry and the importance of fuel security

Tony Mahar, *CEO, National Farmers Federation*

3.30 Session to be advised

Please regularly check the conference website for additional speakers and sessions: www.informa.com.au/liquidfuel20

4.00 Chairman wrap up and close of day 1

4.15 Networking drinks 

"The transport sector is the biggest user of fuel, making up 75 per cent of total liquid fuel. Mining and agriculture are more than 90 per cent reliant on diesel and demand for diesel is growing much faster than the economy at 6 per cent a year"

The Australian, 5 October 2019

Australian Liquid Fuel Security Conference

Tuesday 24 March 2020

DAY 2

8.30 Morning coffee

9.00 Opening remarks from the Chair

9.10 Types of crude oil used in the refining process around Asia and the United States

- Impact of the supply of high quality shale oil from the US
- How Australia is positioned in setting up and building new refineries
- Can Australia compete with big refineries in Korea, Japan, Singapore and India?
- How can a green transportation industry co-exist with traditional hydrocarbon in the next 15-20 years

Lurion De Mello, *Senior Lecturer, Department of Applied Finance Centre for Risk Analytics, Macquarie University*

9.50 Anticipating disruptions: Benefits of Strategic Risk Assessment

- Approaches to Risk-based thinking
- Selected international trends
- Fuel Security as a national risk exposure
- Options for Improvement

Dr Paul Barnes, *Head of Risk & Resilience, Australian Strategic Policy Institute*

10.20 Session to be advised

Please regularly check the conference website for additional speakers and sessions: www.informa.com.au/liquidfuel20

10.50 Networking and refreshment break

TRANSPORT FUELS – CURRENT DEMAND, AND CHANGING CONSUMPTION IN THE FUTURE

11.20 Hyundai Future Mobility

- Preparing for the next fuel (Hydrogen and Electricity)
- What are the modes of transport that can use this new fuel
- What infrastructure will be required

Scott Nargar, *Senior Manager of Future Mobility & Government Relations, Hyundai Australia*

11.50 Fuel Security at home: why the transition to Electric Vehicles supercharge Australia's future

- The ability to generate our own electricity means that a transport fleet that is majority electric won't need to worry about liquid fuel security
- We can create new automotive jobs in the electric vehicle industry
- We can lead the world in integrating renewables, battery storage and EVs
- We will create and export business models around electricity the world has never seen

Tim Washington, *Director, JET Charge and Chargefox, Chair, EV Council*

12.20 Session to be advised

Please regularly check the conference website for additional speakers and sessions: www.informa.com.au/liquidfuel20

1.00 Conclusive remarks from the Chair

1.10 Networking lunch and close of conference

SPONSORSHIP AND EXHIBITION OPPORTUNITIES

Excellent opportunities exist to showcase your organisation.
